

Compass Visitor Portal

Register for CompassCheck

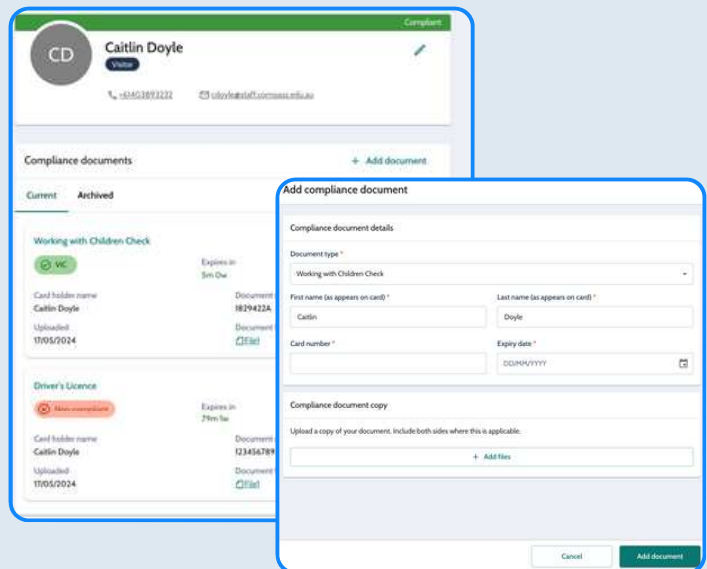

1. Head to compasscheck.education, and click 'Register' in the top right to create your account.
2. You'll be asked if you're a visitor or organisation, and select 'Visitor'.
3. Fill out each relevant field to create your account, including contact details and your own password.
4. Verify your account via the link sent to your email address.
5. You're in! You're now ready to start connecting to schools.

Create your User Profile

Once you've logged in, you can upload your compliance document/s to become verified (eg. WWCC, driver's license, etc.).

Documents will be flagged as 'compliant' or 'non-compliant' depending on their expiry date and whether this has been verified against the government databases.

School Sign In

When you arrive at the school's Compass Kiosk - select '**Visitor Sign In**', and then '**CompassCheck Visitor**'.

From here, just enter your **mobile number**, and your CompassCheck account will link up for quick and easy sign in!
